## VESSEL OVERVIEW

STATUS QUO is number three of the successful Horizon Premier 130 series. She has an excellent design pedigree with a Greg Marshall exterior and Espinosa interior. She was launched in late 2008 and carries a 2009 build number and model year.

STATUS QUO has a classically styled interior with rich dark cabinetry and wall paneling accented with detailed inlay and contrasted by light ceilings, furniture, carpets and rugs. Marble and Onyx floors and counter tops add to the feel of quality. This yacht has surprising internal and external volume for her size with plenty of space for a full complement of 12 guests. Accommodation is provided in six lavish cabins, with the large Owner's suite situated on the main deck.

STATUS QUO is in superb condition further to a significant amount of refit work during the refits in 2017 and 2021.

Amongst the comprehensive work completed some notable items are interior refit, repaint of the hull, swimming platform lengthened, swim platform transformer added, entertainment system upgraded, new air conditioning units, generators overhauled and new shafts and propellers.

STATUS QUO has the potential to be an excellent charter yacht and offers a specification that makes her a competent world cruiser.
