Year: 2016  
Serial #: 2A502442  
Location: Middle

## Summary/Description

2016 Monterey 258SS

2016 Monterey 258SS

In excellent condition.

Low hours at 186 hours. This is less than half of normal usage/hours on a boat.

300HP MerCruiser 6.2L V8 inboard/outboard. This boat will easily do 45+ MPH. Runs perfectly.

This is a Great Recreational Boat!

The Vessel has 186 hours on the 6.2 MerCruiser, which was just serviced last week. The Manifold was replaced, and a freshwater flush was added, which is a very important feature for saltwater usage. However, the boat has been in fresh water only for the past year.

Cushions are in great condition and can be reconfigured from a seated position to a lounge chair arrangement in one smooth motion to insure a maximum level of comfort for everyone. In addition, the helm seat goes from a relaxed position to a propped-up one, providing a clear view of the waterway while piloting the boat.

There are two swim ladders; one at the bow and stern.

Features: MS-NRX200i wired remote is in each of the independent audio zones of the boat, for localized zone volume level and source control. Fusion Radio controls at the transom, nav station and bow. Speakers throughout. Transom shower. Fresh water flush system (just added). New Bottom Paint in 2021. Two coolers. Bow table. Ample under seat and compartment storage throughout, and much more!

This is the perfect boat to enjoy cruising on the water with your family and friends!

Make an appointment to come see this boat today!

## Manufacturer Provided Description

Create memories with Monterey Boats' 258 SS. We've gathered the best attributes of this segment to design and create the perfect boat for you to enjoy the water like you've never done before. Manufactured with some of the most innovative design features seen on the water today, the 258 SS is equipped with a long list of standard and optional features.

The 258 Super Sport blends the very best attributes of our Super Sport series line to create the perfect vessel for you and your crew to enjoy endless days of on the water activities. From destination boating to cruising to enjoying your recreational sports, the 258 SS has everything you need. Handcrafted with some of the most innovative design features seen on the water today, and loaded with standard features and amenities, the 258 SS will satisfy everything your heart desires.

## Recent Preventative Maintenance Includes

- Two new deep cycle marine batteries
- Manifolds and risers

- Water pump
- Thermostat
- Impeller and bearings
- O2 Sensors
