Year: 2017
Serial #: 2B377591

Summary/Description

On most boats, the party almost always takes place out back. But this isn't like most boats. Nope, we changed things up a bit with this one. The 25SC has the perfect party pad up front due to its wide bow shape. This beach-goer even has a forward entry ladder making it easy to hop off the front when it's time hit the sand for some beach volleyball. When it's time to mosey on back aboard and take a ride to the next hot spot, you and your guests will be surrounded by stylish comfort and good vibes. That's because with every Cobalt, first-class luxury, convenience and versatility are all non-negotiables. Let's say the party is starting to fizzle and you just want some peace and quiet. Step aboard and be amazed at how quiet the ride is ? not a peep from the engine. That's because this brand new outboard engine was designed to be exceptionally quiet and smooth. Instead, hear the wind going through your hair and your crew having normal, conversation. Pretty nice, huh? And it wouldn't be a party until the Captain does a little showing off at the end of the day. The impeccable handling of the 25SC makes tight turns at high speeds look like a piece of cake. Ending the day's activities on a high note, to say the least.
