Sport Fishing Mag:

"Generally, we don't find walkarounds in this size range very comfortable. The Robalo 265 provides the exception to the rule. Belowdecks, the large V-berth with its inset easily accommodates two adults. In addition, the galley has a good refrigerator and stove. Robalo finishes the cabinetry in a fine glossy maple veneer that complements the teak and holly cabin sole. Some of the other most salient features include holders for four rigged fishing rods and an enclosed, stand-up head with a porcelain VacuFlush toilet."
