C7.1
Inboard
500HP
372.85KW
Fuel: Diesel
Hours: 90
Year: 2021
Serial #: JEZ00561
Location: Middle

Summary/Description

1989 Duffy 35

"Bull Frog" is a 1989 35 Duffy that has been re-powered with a 2021 CAT C7.1 engine with 500hp and only 90 hours! The C7.1 also has CAT Platinum Warranty (5 years or 1500hrs). This boat is an amazing opportunity for someone wanting to start a charter business or begin a project restoring a true classic.

From The Builder:

"The Duffy 35 is a built down hull with a fine forefoot and flat after sections producing good speed and the excellent ride that Duffys are famous for. Over the years the Duffy 35 has proven itself to be a safe and stable boat in all but the most severe sea conditions. In addition to the hundreds of commercial lobster boats built on this hull the Duffy 35 has been hugely popular with commercial tuna fishermen and sport fishermen. She is a good moderately sized boat, large enough to range offshore in spring, summer, and fall conditions the 100+ miles that tuna fishing requires and small enough to do so with speed and fuel efficiency. Her reputation of excellent seaworthiness has been earned through hard work on the water over a twenty year period."

Please call Charles Arthur at 252.671.0815 for more information or to schedule a showing.
