Location: Starboard

Summary/Description

1998 Fountaine Pajot Athena 38 sailing catamaran

The Athena was designed as an all weather boat! Her intelligent design makes handling, mooring, berthing and storing easier for the average boater.

The last two years she has been upgraded with:

- **Two new Yanmar engines (2021) with Pod drives w/200 hrs of usage.**
- **New soft Bimini with isinglass enclosure on three sides.**
- **New instruments, Raytheon Skipper GPS integrated, Depth finder, Auto Pilot.**
- **New Adler Barber Refrigeration.**
- **New Freedom Inverter with 4 solar panels/control.**
- **New dinghy Davit system.**
- **New Jensen stereo system with speakers and control.**

Manufacturer Provided Description

The Athena 38 successfully combines beauty with intelligence. Beauty in its shape: The hulls, the sunshade and the aft skirt and intelligence in its design, which makes handling, berthing, mooring, and storage so easy. She has a functional helmsman's cockpit for navigation, a spacious cockpit for sunbathing, and very convenient steps at the rear of the hulls, providing the best possible access for all kinds of recreation on the water. The high tech-tech materials, the build quality and the choice of high quality fittings make the Athena 38 an especially safe and pleasant boat for all weathers.
