## Engines/Generators

## Summary/Description

The Highfield Classic 290 is a highly comfortable luxury tender with high-quality finishes. Its 2.5mm high tensile chromated and powder coated hull provides durability for trailering and beaching. Its lightweight hull delivers an impressive performance with smaller engines.

### **Customizable Boat: Stuart**

The Highfield Classic 290 is a highly comfortable luxury tender with high-quality finishes. Its 2.5mm high tensile chromated and powder coated hull provides durability for trailering and beaching. Its lightweight hull delivers an impressive performance with smaller engines. No engine is included at this price, but 10 HP is recommended with a 15 HP maximum.

Standard features include Orca Hypalon or Valmex PVC tubes, flush mount non-return valves, a self-draining deck, a bow locker, integrated transom supports, a removable seat, lifting points and tow eyes, tow bridle points, a non-skid deck, a heavy duty rubbing strake, a full length keel guard, a tank strap kit, an under seat bag, a Highfield dry bag, a foot pump, oars, and a repair kit.

Options include a transom storage box, an extra seat, a molded bow cleat, a bow cushion, and a boat cover.

**\*Engine and optional features not included at base price.**

We're proud to showcase Highfield Boats tender at all our Florida showrooms, including:

***Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.***
