Summary/Description

The Highfield Classic 340 is an aluminum hulled, durable, and high-end yacht tender. Its 2.5 mm thick high tensile chromated and powder coated hull means you never need to fear hull damage while trailering or beaching.

Customizable Boat: Stuart

The Highfield Classic 340 is an aluminum hulled, durable, and high-end yacht tender. Its 2.5 mm thick high tensile chromated and powder coated hull means you never need to fear hull damage while trailering or beaching. Its large weight savings when compared to equivalent GRP tenders delivers an impressive performance with smaller engines. The double deck will keep your feet dry and passengers comfortable. Recommended power is 15 HP with 25 HP as the maximum.

Standard features include Orca Hypalon or Valmex PVC tubes, flush mount non-return valves, a self-draining deck, a bow locker to fit a 3-gallon fuel tank, integrated transom supports, a removable seat, lifting points, towing eyes, tow bridle points, a non-skid deck, a heavy duty rubbing strake, a full length keel guard, a tank strap kit, an under seat bag, a Highfield dry bag, a foot pump, oars, and a repair kit.

Optional equipment includes a transom storage box, an extra seat, a bow cushion, a boat cover, an FCT console, and a molded bow cleat.

****Engine and upgraded options not included at this base price.***

We're proud to showcase Highfield Boats tender at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
