Summary/Description

The Highfield Classic 360 Deluxe is a lightweight yet durable high-end yacht tender with the capacity for six people and a recommendation of 30HP. Its wide deck area and luxury finishes make it the ideal tender for a high demand yacht.

Customizable Boat: Stuart

The Highfield Classic 360 Deluxe is a lightweight yet durable high-end yacht tender with the capacity for six people and a recommendation of 30HP. Its wide deck area and luxury finishes make it the ideal tender for a high demand yacht. It features a low profile console for comfortable steering along with a rear seat and cushion. Its self-draining double deck adds an extra layer of comfort for dry feet and gear on deck. The high tensile chromated and powder coated aluminum hull is durable for beaching and trailering without the possibility of gelcoat and fiberglass damages.

Other standard features include integrated transom supports, a bow locker to fit a six-gallon fuel tank, lifting points and tow eyes, tow bridle points, a heavy duty rub rail, a full-length keel guard, an electrical pack for the boat and console, an under-seat bag, a brushed foam teak finish deck, and a Highfield dry bag, oars, a repair kit, and a foot pump. A boat cover is available as an optional upgrade.

***Engine and optional features not included at base price.**

We're proud to showcase Highfield Boats tender at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
