Summary/Description

The Highfield CL 380 is a highly durable aluminum-hulled tender with high quality finishes. This luxury tender can be beached or trailered without worry due to its 2.5mm thick high tensile chromated and powder coated aluminum hull. It provides a large weight savings when compared to equivalent GRP te

Customizable Boat: Stuart

The Highfield CL 380 is a highly durable aluminum-hulled tender with high quality finishes. This luxury tender can be beached or trailered without worry due to its 2.5mm thick high tensile chromated and powder coated aluminum hull. It provides a large weight savings when compared to equivalent GRP tenders, giving you an impressive ride with smaller engines.

Standard features include Orca Hypalon or Valmex PVC tubes, flush-mount non-return valves, a self-draining deck, a bow locker to fit a 3-gallon fuel tank, a tank strap kit, integrated transom supports, a removable seat, lifting points and towing eyes, tow bridle points, an anti-skid deck, a heavy duty rubbing strake, a full length keel guard, an under seat bag, a Highfield Dry Bag, a foot pump, oars, and a repair kit.

**Engine and optional features not included at base price.*

We're proud to showcase Highfield Boats tender at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
