Summary/Description

The Highfield Sport 700 is an aluminum-hulled inflatable tender with a maximum rating of 200 HP. The high tensile chromated and powder coated aluminum hull provides high durability while maintaining an extremely light weight. High-end finishes make the Sport 700 ideal for use as a luxury yacht tender.

Customizable Boat: Stuart

The Highfield Sport 700 is an aluminum-hulled inflatable tender with a maximum rating of 200 HP. The high tensile chromated and powder coated aluminum hull provides high durability while maintaining an extremely light weight. High-end finishes make the Sport 700 ideal for use as a luxury yacht tender.

Features include a self-draining deck, upholstered aft, forward console, and convertible bow seating, a swim platform and ladder, bow table, tow post, integrated transom supports, lifting points and tow eyes, brushed foam teak finish deck, heavy duty rub rail, full length keel guard, dry bag, foot pump, oars, repair kit, and an electrical pack for the boat and console.

We're proud to showcase Highfield Boats tender at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, and Stuart.
