Summary/Description

The Highfield Ultralite 340 has a maximum rating of 20 HP with 10 HP recommended. At 11'2, it weighs in at 117 pounds. Its lightweight design is ideal for those who would usually opt for a soft bottom tender, as the rigid hull of the Ultralite delivers a superior and more stable ride without a subst

Customizable Boat: Stuart

The Highfield Ultralite 340 has a maximum rating of 20 HP with 10 HP recommended. At 11'2, it weighs in at 117 pounds. Its lightweight design is ideal for those who would usually opt for a soft bottom tender, as the rigid hull of the Ultralite delivers a superior and more stable ride without a substantial weight gain. The high tensile chromated and powder coated hull is durable enough to beach and trailer the UL 340 without worry of damage.

Standard features include Hypalon or PVC tubes, flush mount non-return valves, a self-draining deck, a removable seat, lifting points and towing eyes, tow bridle points, a non-skid deck, a light weight rub rail, a full length keel guard, an under seat bag, and a dry bag, a repair kit, oars, and a foot pump.

****Engine and optional features not included at base price.***

We're proud to showcase Highfield Boats tender at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
