Summary/Description

The Northstar Axis 3.4 is an 11' inflatable tender with a maximum power rating of 40 HP. Its many standard features set it apart from the competition.

Customizable Boat: Stuart

The Northstar Axis 3.4 is an 11' inflatable tender with a maximum power rating of 40 HP. Its many standard features set it apart from the competition. Enjoy a stable, smooth, and dry ride with its Delta Lift hull and lightweight body structure. Produced with vacuum infusion and RTM technologies, the Northstar Axis is durable and sturdy without compromising comfort and style.

Standard features on this loaded tender include hydraulic steering, an ergonomic console, an acrylic glove box with a USB charging port, an integrated fuel tank with a gauge and water separator, an electrical system with a switch panel, LED navigation lights, an all-around white light, an automatic bilge pump, large storage areas, telescoping cleats, and lifting rings. Customize your Northstar Axis 3.4 with tube, hull, and upholstery color options.

We're proud to showcase Northstar Boats at our Stuart showroom.
