## Summary/Description

The Northstar Ion 12 Equinox is a luxury yacht tender with a maximum power rating of 1350 HP.

### **Customizable Boat: Stuart**

The Northstar Ion 12 Equinox is a luxury tender with a maximum rating of 1350 HP. Its aft sunbed provides a double berth below for overnight accommodations. Its impressive stability at high speeds, lightweight, and strength is delivered by vacuum infusion technology. Its high-end and quality features make it ideal as a yacht tender.

Standards include heavy duty Hypalon tubes with eight internal air chambers, an ergonomic console with storage, marine grade upholstery, two automatic bilge pumps, a freshwater shower aft, a swim platform with a folding swim ladder, telescoping cleats, an acrylic glove box and USB charger, a tempered glass windshield, and stainless steel grab handles.

Optional features are available for upgrade and include a powder coated hardtop, a teak deck, electric refrigerators, LED lighting, a Fusion stereo, a bow thruster, an aft Bimini tent, a vacuum toilet, a windshield wiper, and more.

***We're proud to showcase Northstar Boats at our Stuart showroom..***
