Location: Middle

Summary/Description

Looking for a great deal on a late-model bowrider? Check out this 2020 Crownline 280 XSS. The Suzuki 350HP outboard with just 150 hours is under warranty until 2025. Factory options added include power assist steering, trim tabs, a cockpit galley with sink and refrigerator, and a bow and cockpit cov

Crownline designed the 280 XSS to optimize stability, precision handling, and efficient fuel consumption, providing a smooth and comfortable ride even in varying sea conditions. The pointed bow acts like a knife, cutting through the water with ease. She planes in 4.9 seconds using a Suzuki 350HP outboard engine with a dual prop and only 150 hours. The Garmin touchscreen navigation system and a premium sound system rounds out the helm.

The cockpit features a wet bar, freshwater sink, refrigerator, and a compact galley area for preparing snacks and drinks. Seating for eleven. Head and sink in a small private cabin.

The extended swim platform makes the boat suitable for a variety of watersports activities such as wakeboarding, waterskiing, tubing, and more.

New, the 280 XSS is selling for 100% more than the asking price of this gently used 2020. She's priced to sell quickly.
