Summary/Description

This 2018 Custom Carolina 23' center console is a sure head turner that's ready for her next home.

This 2018 Custom Carolina 23' center console is a sure head turner that's ready for her next home. She was built at Cape Fear Community College as part of their boat building program utilizing the cold molded construction method. The materials used in this build were Meranti marine grade plywood, MAS epoxy resin and Douglas Fir for the stringers. She's powered with a Suzuki 175hp with 190 hours. Boat has a Garmin UHD ECHOMap 74xsv unit, Lenco trim tabs, Suzuki C-10 gauge and raw water washdown.
