Summary/Description

The 54 Viking is recognized in the fishing community as the best Viking tournament hull in her class to date. The superior performance of the 1550HP common rail MANs provides quick response, quiet operation, with cruising speeds well above 30 Kts when asked for.

The 54 Viking is recognized in the fishing community as the best Viking tournament hull in her class to date. The superior performance of the 1550HP common rail MANs provides quick response, quiet operation, with cruising speeds well above 30 Kts. when asked for. There have been no short cuts for Mezzo II in service or updates making her turn-key ready to roll. Her custom cabin layout provides accommodations for two owners and six guests in separate oversized comfortable berths. Lightly fished, generously cared for, this late model Viking 54 is a pleasure to show.
