Manufacturer Provided Description

The Southport 33 has it all: range, speed, and all the creature comforts for the family cruiser in the FE; or, the space and fish specific options for the experienced angler in the TE. Whether the ideal day on the water is spent racing out to an offshore fishing spot or spending the day on the water surrounded by family and friends, the Southport 33 is built for any lifestyle.

Jump onto a plane at a smooth, flat angle at any running speed! Head to the canyons to catch the big one, and the 33 TE will take you there comfortably. We've included plush seating atop the insulated coffinbox, a stand-up head / shower and berth below the sole, two large 6-foot-long in-deck fish or storage boxes, and a door for transom access.
