The Tiara 4300 Sovran is a much sought after sport cruiser. With Tiara's well known high quality of workmanship and performance it makes them hard to find on the pre-owned market. This 2009 Tiara 4300 Sovran has been meticulously maintained and is probably the cleanest on the market. All service records are available to a serious buyer.

Moving Up

Tiara 4300 Sovran

This is a much sought after sport cruiser, built with Tiara's well known high quality of workmanship and performance makes them hard to find on the pre-owned market. This 2009 Tiara 4300 Sovran has been meticulously maintained and is probably the cleanest on the market. This yacht also has slightly different salon interior with a lower full teak bulkhead with a large recessed tv (see photos). This arrangement was factory built. All service records are available to a serious buyer.

This yacht has the preferred IPS-600 Volvo Engines in combination with Joystick controls for easy docking and slow speed maneuvering making her a joy for that short handed yachtsman.

Sellers are third owners and have followed all recommended service requirements and much more ([See Newly Completed Work and Upgrades Below.](#)) Owners are selling to move up to a larger yacht. She is a must see if you are looking for a low 40's size sport cruiser.
