- new shore power cable & coupler 2021
- all new running lights' bulbs 2021
- Install Transom rod holders 2022
- loads of spare parts

Manufacturer Provided Description

In the 340 Sundancer, high performance, comfort and quality are beautifully combined in one sleek cruising package. Powered by twin MX8.1LMPI MerCruiser V-drives, the 340 Sundancer is the ticket that will let you discover a whole new world of boating. A roomy, redesigned cockpit offers plenty of opportunity to relax, and her sleeping accommodations for six mean family and friends can go right along with you.

Accommodations

Stepping below through a companion way slightly offset to port the Sundancer boasts a elegant open-plan interior and a rich blend of dark cherry wood cabinets, earth-tone wall coverings, and posh Ultraleather upholstery below.

Privacy curtains separate the fore and aft berths from the salon, and the well-designed galley has more space than most cruisers this size. Topside, the single-level cockpit features a big U-shaped settee/dinette (with removable cocktail table) aft, wet bar with refrigerator, and twin captains seats at the helm.

An electric hatch lifts to reveal the 340's engine compartment. She has a handy transom storage locker.

ENGINE NOTES:

Annually serviced Horizon 8.1L Merc Cruisers (under 700 hours).

Manifolds and Risers last service inspection May 2019

New shaft seals and shaft March 2020
