The Bavaria Yachts newcomer with Italian design represents the further evolution of our renowned BAVARIA C-Line, and focuses on performance and space. A modern innovative hull design featuring chines, and the rounded V-Bow developed by BAVARIA YACHTS promise an outstanding sailing experience and offer unusually spacious quarters below deck.

MORE PERFORMANCE — BAVARIA CHINES and the BAVARIA V-Bow provide increased stability, a longer waterline and improved performance, combined with a feeling of direct control at the helm. The distinctive angular design of the BAVARIA C42's stern has a further advantage, creating more width in the stern cabins and a higher standard of comfort.

A NEW SENSE OF SPACE — The innovative hull design opens up new dimensions below deck. Select from individual cabin layouts ranging from the luxurious 2-cabin version with a spacious bathroom to the comfortable 3-cabin version with two bathrooms. The U-shaped seating area at the starboard side and the portside lounge bench easily cater for eight people during a cozy dinner. As in classic layouts, the L-shaped pantry is located portside.

Many features are included as standard in the BAVARIA C42 series models. These include the self-tacking jib and a sail area of 1,083 square feet. Experience the impressive BAVARIA C42 dimensions for yourself.
