Summary/Description

Designed by J&J Design, the BAVARIA R-Line's interplay of exterior and interior: with its dynamic hull design and a unique amount of space below deck, it is a true benchmark in terms of design, elegance and performance.

Designed by J&J Design, the BAVARIA R-Line's interplay of exterior and interior: with its dynamic hull design and a unique amount of space below deck, it is a true benchmark in terms of design, elegance and performance.

The BAVARIA R40 is instantly recognizable by her clear, sleek look. The yacht is available in the COUPE and FLY versions, depending on your individual preferences. Powerful motors with a Z-drive offer the ultimate yachting enjoyment, and various options mean that you can enjoy your time on the boat to the fullest.

A SYNONYM FOR LUXURY AND COMFORT — The BAVARIA R40 stands for luxury and comfort. Unrivaled in terms of performance and elegance, she offers everything your heart desires — technology of the highest standard and a design which puts all other boats of this class in the shade.

MAKE UNFORGETTABLE MEMORIES WITH THE BAVARIA R40 — A large reclining area on the foredeck, a comfortable lounge seating area aft, and a hydraulically-lowerable bathing platform at the stern are only a few of the details which make life aboard the BAVARIA R40 an unforgettable experience. With the newly designed V-hull, the motor yacht is also characterized by her responsive and safe steering.

COMFORT BOTH ABOVE AND BELOW DECK — You will find the best view in the bright, light-filled saloon, especially when dining at the large fold-out salon table. The galley holds everything an award-winning chef might wish for. The luxurious owner's cabin amidships offers a surprising number of clever features and generous storage space. Naturally, the owner's bedroom features a separate shower. The VIP guests in the foreship cabin are also provided with all possible creature comforts. They also have their own bathroom, and the large king-sized bed can be converted into two single beds in one easy step.

HULL & DECK

HULL
