Summary/Description

2019 Ranger Tugs R-27 Luxury Edition includes Yamaha F300 Outboard Engine, Bow Thruster, and Westerbeke Generator

2019 Ranger Tugs R-27 Luxury Edition

Cruising without compromise is the name of the game for the R-27 from Ranger Tug. The R-27 is outfitted to cruise, fish, and play in comfort and style. Powered by the efficient and popular Yamaha F300 outboard motor, the R-27 doesn't waste time delivering you and your family to your next adventure. Enjoy peace of mind knowing that the included Garmin 7612 Chartplotter will guide you safely on your passage and that when you arrive, the bow thruster will make docking a non-event. The curved front windshield and overhead glass atrium provide beautiful 360 degree views and generous light throughout the salon. Open the aft glass bulkhead in tandem with any of the hatches, windows, or port lights to deliver a fresh breeze throughout the cabin. Chefs will be delighted to cook in the full galley or to simply grill on the removable electric Kenyon grill. When taking in a gorgeous sunset, you and your guests can enjoy the view from the spacious cockpit or from the new double lounge seat on the bow of the R-27.

This is a well outfitted 2019 Ranger Tugs R-27 Luxury Edition that has been very nicely maintained and stored inside throughout its single ownership. The Yamaha 300 HP main outboard motor provides more than enough power to cruise this boat upward of 40 knots. A 140 watt solar panel provides an additional charging option for the batteries. This boat is fully equipped with Marinco Spotlight, Fresh water head, PFDs, fenders and spares. She is turnkey and ready to continue on the Great Loop or other cruising adventures.

The Ranger Tugs R-27 Luxury Edition is a fantastic platform for a couple wanting to complete the Great Loop or many other adventures. With the generator and solar power and the included trailer this boat provides the versatility for many different cruising options.

- Air Conditioning
- Heating
- Hot Water
- Refrigerator
- Battery Charger

Outside Equipment/Extras

- Cockpit Shower
- Solar Panel
- Cockpit Cushions
- Swimming Ladder

Manufacturer Provided Description

The R27 has nearly 50 Sq ft of aft deck space making the cockpit 25 percent larger than the original R25. This allows for easy access to the standard 180 HP Yanmar diesel and keeps the engine noise out of the cabin. The larger cockpit also lends itself to more above and below deck storage. The well appointed cabin has a midship office with desk and chair, this space also converts to a berth that sleeps two. The dinette table is on a hydraulic piston that allows for an easy conversion to a berth or lounging area. The spacious front v-berth sleeps two adults and is over 6'5" in length. Cooks will love the standard galley which includes a sink, refrigerator, inverter, microwave and a combination propane stove/oven. The marine head is standard with an electric flush toilet, glass vessel sink and shower. Yacht size features like standard bow and stern thrusters provide for excellent maneuverability around the dock and the 8'6" beam allows the boat to be

easily trailered. Solar panels are an option on all of our models including the Ranger R27.
