Summary/Description

2024 SOUTHPORT 33 FE

Enjoy style, fishability, and Maine craftsmanship, all at great value.

The Southport 27 FE is the perfect combination of Southport's exceptional ride, stability, and performance. The carefully-engineered package of features includes a spacious cockpit and generous seating for the family, the fishing crew, or both. Fish offshore in the morning, cruise with the family in the afternoon and nose up to a quiet beach for sunset.

Comfort and Style

The striking lines of the Southport 27 FE are instantly recognizable from any distance. Be the most talked about boat in your harbor. A graceful Carolina bow with generous flare, aggressive forward rake and subtle tumblehome at the transom combine to make the Southport 27 FE an iconically beautiful boat.

Feature Rich

The 27 FE is loaded with all the features to make it an all-around performer. The boat comes standard with everything you need for a day of fishing or a relaxing day with family and friends exploring the local waters.

Comfortable Layout

Plenty of seating for the whole crew, with improved ergonomics for a more comfortable day on the water.

Spacious Layout

The beam of the 27 FE gives it the feel of a much larger boat allowing you to bring more people and gear than other comparable models.

Classic Lines

Graceful sheer, raked bow, Carolina flare....all make the Southport 27 FE easily recognized on the water.

Fish Ready, Family Ready

Ready to accept whatever you throw at it, the 27 FE can be tweaked to fit your exact style and usage: Colors, cushions, additional fishing features, to make it exactly what you want.
