- **This Boston Whaler 345 Conquest is Loaded and in Pristine Condition! Powered by triple Mercury 350 Verado 4-stroke engines with Joystick Piloting featuring Skyhook. Loaded with almost every factory option.**

Manufacturer Provided Description

Meet the Boston Whaler that reimagines the possibilities for onboard space: the award-winning 345 Conquest. No other boat for sale today is quite like it. Its cabin innovates with customizable storage, a sophisticated galley and head, and the Dynamic Cabin System---a forward-berth dining table that seats six adults, and converts automatically into a plush queen-sized bed. The spacious helm area includes a generous rear-facing companion seat, reversible aft seat, skylights, a well-equipped food prep station, and more, all but ensuring the captain will never cruise without company. Yet as comfortable as it is, the 345 Conquest is also a serious offshore fishing boat, with amenities and options like a bait-prep station and an available upper station. New Mercury Joystick Piloting means effortless docking and precision maneuvering. Step aboard the 345 Conquest and see how smart onboard space can be.
