Price Improvement...the owner said, "GET IT SOLD"!

This 2020 Tidewater 280 CC is a versatile boat that can be used for a variety of activities such as day-cruising, freshwater-fishing, and saltwater-fishing. The boat's center console design provides ample space for fishing, while the comfortable seating and amenities make it an excellent choice for day-cruising.

The boat's length of 28 feet makes it easy to maneuver in tight spaces, while the beam of 9 feet 10 inches provides stability in rough waters. It is powered by two Yamaha 250hp engines and weighs 5800 lbs. Those Yamahas are covered by a transferable warranty until 2026.

The boat's interior is spacious and comfortable, with plenty of seating and storage. The Tidewater 280 CC features a large console with a head compartment, sink, and shower. The boat also has a large T-top with rod holders, which provides shade and protection from the sun.

In terms of performance, the Tidewater 280 CC is an excellent choice. The boat's deep-V hull provides a smooth ride in choppy waters, while the Yamaha engines provide plenty of power for cruising and fishing. The boat's fuel capacity of 205 gallons ensures that you can stay out on the water for extended periods.

Overall, the Tidewater 280 CC is an excellent choice for anyone looking for a versatile center console vessel that can be used for day-cruising, freshwater-fishing, and saltwater-fishing. With its spacious interior, comfortable seating, and powerful engines, the Tidewater 280 CC is sure to provide an enjoyable boating experience.
