## Summary/Description

This model combines the functionality, ease of movement, social outdoor and indoor spaces and versatility of outboard walkaround center-consoles with a spacious, fully enclosed cabin, that challenges traditional perceptions of cabin boats.

## Ready for Customer Handover February 18 2024!

The new Crossover that challenges convention in both looks and onboard functionality bringing a new era to all-weather boating.

This model combines the functionality, ease of movement, social outdoor and indoor spaces and versatility of outboard walkaround centre-consoles with a spacious, fully enclosed weather proofed cabin, that with distinctive looks challenges traditional perceptions of cabin boats.

We consider the 37XC to be the Gran Turismo of the seas opening a world of possibilities for safe, extended voyages in comfort even in unpredictable weather.

## INTRODUCTION

Every foot on board is used for socializing and practical living; indoors and now outdoors as well, infused with a myriad of new onboard solutions and functionalities, no matter if cruising along or spending time at anchor

The innovative Gullwing Door concept\* opens up the front cabin, the sociable foredeck seating with table\* or with the large sun-deck\*, in addition with its versatile aft-deck modules ensures our customers get a boat with the equipment they want. The large sliding canvas roof, together with the two large sliding doors, really opens up the cabin to the elements on days when the weather allows.

\*Sold as optional equipment

Forget the old prejudice that a cabin boat is all just about spending time inside its cabin; the new Axopar 37 XC raises the outer spaces to equal importance and functionality, as sociable and practical as it is comfortable inside.

Never before has an all-weather boat looked this striking, instantly turning heads wherever you go with its captivating modern looks, challenging the perception of traditionally 'boring' enclosed cabin 'work' boats.

The Axopar 37 XC Cross Cabin takes you further on your journey, whether it be in the harsh cold seas of Svalbard, in the sunny and warm Caribbean or in the bustling scenes on Manhattan, it is the perfect platform for every adventure at sea.

## ALTERNATIVES FOR AFT DECK

The modular nature of Axopars, and our multi-platform thinking, enables you to customize your boat with an aft layout to suit your everyday needs. As standard the Axopar 37 Cross Cabin comes with a spacious open aft deck. The aft deck can be also equipped with an optional aft bench, wet bar module, multi storage compartment or an aft cabin.

## BRABUS LINE

Style-conscious customers that aspire to have their Axopars stand out from the crowd even more, can further differentiate and characterize the looks and feel of their boat with BRABUS Line Trim Package options, adding value with discreet interior & exterior trim & styling enhancements. The BRABUS Line Trim Package includes subtle yet distinct detailing and touches.

### Color Upgrade:

The BRABUS Line Trim Package can be further enhanced by selecting one of our two exciting hull & roof colours: Choose from vibrant and playful Miami Blue, or a more discreet Platinum Grey. The Colour Edition is a duo-tone colour package whereby specific parts of the boat are coloured and other parts are left uncoloured in standard delivery white.
