Vessel Details

From its low-profile bow rail to its integral boarding platform, the 270 Outrage incorporates sleek new lines plus a host of fishing-friendly features and outstanding options. This remarkable boat includes three in-deck insulated storage/fishboxes, a lockable console (with an enclosed portable head, sink and pump-out), locking bow rod storage, and a lighted 23-gallon transom livewell with raw-water fill. The 334-quart in-deck bow storage compartment features a drain and a pump-out option so it can double as a third insulated fishbox. The leaning post features two rod holders, a bait prep station complete with cutting board, rigging storage, knife / leader holder and a stainless steel grab rail. A 94-quart cooler is secured below the leaning post. Versatile seating includes two bow bench seats with standard removable cushions; a leaning post with a removable backrest, folding footrest and twin hinging seat bases for convenient storage access; a molded seat in front of the console; and a convenient stern bench seat that folds into the transom. The 270 Outrage introduces a refined version of Boston Whaler's famous Accutrack hull system, featuring a deep-V hull with an even sharper angle of entry, yielding an even softer ride. Strategically positioned reverse chines and running strakes provide lift, superior tracking and deflect spray for a dry ride.

Both outboard motors were rebuilt in 2017.
