Summary/Description

For Sale

This 1995 Donzi 72 Enclosed Bridge, "GOOD KARMA", is an impressive display of big-time sportfishing elegance combining classic custom sportfisher appeal with modern appointments and West Coast rigging. Combine nimble and agile with power and speed. Now add the kind of seaworthiness that can take the surprises that blue water tournament angling can throw at you. You now have a good idea of what the Good Karma is all about. As with all yachts, the heart of this fighting machine is the engine room. You'll look hard and long to find any as well laid out. Power is smoothly transferred to the props. She runs, backs down and turns eagerly. From the 360 degree helm station you can easily view the fight taking place in the large, amply endowed fighting cockpit. There is no doubt the Roscioli craftsmen delivered an exquisitely designed and executed, luxurious sportfishing yacht. Recent Price Reduction Makes GOOD KARMA an Even More Attractive Option for a Discerning Buyer Looking for Distinct Luxury Sportfisher. Contact us today to schedule your showing!

Accommodations

Her wide-open salon offers a generous interior with a straight settee and well appointed facing seats on each end also features a large counter top with stools and a second dinette. The galley counters (and all others throughout the boat) consist of Corian. As elsewhere aboard, she provides artfully engineered storage everywhere, doing a particularly masterful job of using dead space. "Good Karma" boasts three luxurious staterooms and three full heads with private showers, which also include a captain's stateroom with adjoining head.

Salon and Galley

The massive main salon gives the feel of an 80' yacht. Utilizing the full beam of the vessel, this design provides the maximum amount of spaciousness found in any yacht of this size available today. Entering the salon, to port is the entertainment center which features a built in surround sound stereo system. To starboard is the oversized settee & coffee table. The dinette seats four guests comfortably at a table which is ergonomically designed for dining ease & access to the galley. The galley features an oversized bar/serving Corian counter with barstools. Space saving under the counter freezer/refrigeration provides ample storage of all food, condiments & surplus while traveling. This galley features all new state of the art stainless steel appliances as well as custom storage for all dishes, glasses, & utensils. The teak & holly floor gives a traditional feel to the galley. Custom interior design has been appointed to the salon & galley while the book-matched pecan hardwoods & veneers give a light open feel to the entire room. Custom air conditioning valances run the entire length of the port and starboard sides providing a constant even flow of air conditioning to this oversized salon. Whether traveling, fishing, or entertaining the salon can provide a number of guests with a large relaxing area of rest.

Salon

- Carpeting throughout
- Interior Stairwell to Pilothouse

Master Stateroom

The oversized master stateroom is forward down the main companionway. This stateroom features a pedestaled queen size bed which centers the room. Air conditioning valances run the port & starboard length of the room furnishing it with a constant, even flow of cool or warm air. The extra large vanity area features a large mirror with custom lighting and plenty of drawer space. The custom styling is appointed to the master with plush carpeting & pecan hardwoods. Two large his/her closets allow for ample storage of clothing. The queen bed also features a hydraulic lift which when activated, lifts the entire bed revealing massive amounts of storage underneath. A private head with shower services this room as well as a entertainment system. The design of the master stateroom in the bow of the vessel provides owner's or guests a comfortable & spacious living area while traveling

- Walk-Around Queen Berth
- (2) Opening Ports
- (1) Center Hatch Vanity & Mirror
- (2) Large Hanging Lockers
- Sharp 15" Flatscreen TV
- Sony AMP Sony DVD Player
- Large Head Headhunter Head
- Large Walk-in Shower
- Corian Counter Tops

VIP Stateroom

The VIP stateroom is down the main companionway to port. The VIP is a mirror image of the mater. Though not as large, the VIP stateroom feature an array of amenities which will provide guests with the comforts of home while traveling. A entertainment center with stereo provide unlimited movies & music. A separate air conditioning allows guests control of temperature settings. Extra large closets provide hanging storage for clothing. There is a large queen bed in this room

which is offset in order to provide more spaciousness. This bed like the master, features a hydraulic lift which when activated lifts the entire bed accessing the abundant storage underneath. The custom interior design is evident in this stateroom and also adds to the comfortable feel. The VIP also features a private head & shower.

- Walk-Around Queen Berth
- (2) Opening Ports
- Vanity & Mirror
- Great Storage
- Sharp 15" Flatscreen TV
- Sony DVD Player
- Large Head Headhunter Head
- Large Walk-in Shower
- Corian Counter Tops

Guest Stateroom

The guest stateroom is down the main companionway to starboard. This stateroom features upper & lower berths which can sleep a 6'3" man. These large bunks provide sleeping space for extra guests, crew, or children. All interior appointments have been applied to this room and there is an extra large closet for additional storage. There is separate air conditioning control for this room as well as custom reading lamps in each bunk. There is private access to the day head in the main companionway which this room shares.

- Upper & Lower Berths
- Hanging Locker
- Opening Port
- Opening Hatch
- Corian Counter Tops
- (2) 13" Sharp Flat TV DVD Player
- Large Head (also a Day head access to side deck)
- Walk-in Shower

Crew Quarters

The crew quarters in the vessel can be entered from the main companionway or through the engine room via the cockpit. This room feature a queen size berth with massive amounts of storage lockers and closets. There is a private head & shower with the vanity area removed & utilized in the quarters. Interior packaging of carpet & fabric provide a comfortable living area while separate air conditioning controls allow for private temperature settings. A stereo and TV provide a secluded refuge for captain or crew at the end of a hard day.

- Queen Berth
- Shower Head
- 13' Flat Screen TV
- Mirror & Sink
- Hanging Locker Storage

Deck and Hull Construction

Roscioli constructs its vessels using non-woven, biaxial and triaxial fiberglass, ortho-phthalic gelcoats and vinylester resins sandwiching various core materials such as Divinycell, NicaCore, WebCore and Baltek end-grain balsa depending on the location and function. Over the years, Roscioli, often accused of "overbuilding" its boats has taken out some of the weight but has never sacrificed strength or structural integrity in the process. That's a tough balancing act!

Foredeck

- Nautical Hydraulic Davit
- C-FAB Custom West Coast Rails & Pulpit
- Ideal Windlass with Stainless Steel Anchor
- (4) Custom Rod Holders

Enclosed Pilothouse

The "Good Karma" comes with an extended enclosed bridge. The enclosed bridge allows you to have your helm in the center with guest seating surrounding. Which also comes with an exterior set of controls on the aft overhang for fishing. In addition to the tremendous guest seating you'd expect to find on the flybridge of a 72-footer, Roscioli provides some innovative features here as well, such as rod storage built into a bulwark and a table large enough for dinner. Of course, you'll find additional storage under every seat, in the console.

OTHER ITEMS

- Custom Pilothouse Extension
- Sharp 32" Pop-Up Flat Screen TV
- Wet Bar
- Custom Stainless Steel Perlick Refrigerator
- L-Settee Converts into Double
- L-Seating facing Aft with Sun Shade

- KVH HD7 High Def satellite TV dome
- Brooks & Gatehouse Wind Indicator
- Bennett Trim Tabs Indicator
- (2) ACR Spotlights remote
- Sony CD player 6 disc
- FCI Watermaker Remote Control Panel
- Panasonic Laser Fax Machine

Cockpit

Huge, beautiful and well organized — those are some of the terms that best describe this cockpit. That's one of the main differences between "Good Karma" and most of the now ancient mega-sport-fishers. Convenience features include, Stainless-Steel freezer in the mezzanine and great cabinet storage under the cap rails to port and starboard. Suffice to say that the Karma provides even the most demanding owner with everything he or she could want in a cockpit.

- Complete rebuild of 130# teak Pompanette fighting chair
- Teak Transom
- Teak Cockpit
- Teak Swimstep
- Teak Coaming
- Hot & Cold Cockpit Shower
- Saltwater Washdown (Port & Starboard)

- Large Stainless Steel Freezer Holding Plates
- Large Refer in-step Holding Plate
- Transom Door
- 10 Rod Holders
- 24 Rocket Launchers
- Custom Sun Shade
- Lazarette with Large Storage Area
- Cockpit Lights
- (2)Stereo Speakers
- Custom C-FAB Dual Bait Tank

Engine and Mechanical

It's easy to stand up straight in the mammoth engine room that's kept spotless. As with all the painted surfaces elsewhere, the entire engine compartment received a coat of Vestal White Awl Grip for easy maintenance. For another innovative twist, Roscioli routes the exhaust system through custom zero-back pressure mufflers. You'll be hard pressed to find more effective exhausts. Which make it a pleasure to hear the twin Detroit Diesel 16V92 diesels rated at 1,450 hp each as they turn the ZF gears.

- Port SMOH 2023 - 5 hours
- Starboard SMOH 2021 - 50 hours
- Detroit Diesel 16V92 Generation 2.5 DDEC
- Compressor & Accumulator Tank
- Halon Fire System

Electrical

- (2) 30KW Northern Lights Generator (Starboard & Port)
- 70 amp "Smart Charger"
- 95 amp
- 30 amp
- 6V Life Line
- 12V Life Line
- 24V Life Line

Performance

This yacht lends new meaning to the term "stately." For example, the "Good Karma" climbs up to plane with little effort. In fact, unlike so many vessels where you must push the throttles to the stops to get on plane and then back off to your cruise, the 72 just rises to whatever setting you choose. You will hit 25 knots before you even know it. With Westerly winds at 20 knots, seas run three to four feet onshore. Though running in every direction, not a drop of spray lands on the enclosure. She comes equipped with trim tabs, but at no time will you feel the need to use them. She seems to run automatically at the proper angle whether running up-sea or down. In general, the "Good Karma" rides so smoothly that your speed becomes deceptive. Checking the electronics you will discover that you're cruising at a comfortable 21 knots at 1,800 rpm. The "Good Karma" banks into a turn gently and reverses direction in about four boat lengths — far better than average for a boat this size. However, for emergency maneuvers, she responds with quickness to minor course adjustments. From a fishing standpoint, 650 rpms makes for a good 7-knot trolling speed and produces a virtually turbulence-free wake with great channels aft. The "Good Karma" backs down straight and in control at 9.0 knots. I don't believe most anglers can reel that fast. Nonetheless, skilled captains should manage to keep their angler's line tight and the fish on the corner by combining gears and throttles.

Upgraded Equipment, Rebuild List and Standard Electronics

- DDEC EDM's electronic display modules
- Whirlpool thin twin, stack washer and dryer
- Phase III PT-40CE smart charger
- Phase III PT-70A smart charger
- Phase III PT-24-95F smart charger
