Serial #: 13701
Location: Starboard

Generator 1

Kohler
6.5
6.50KW
Hours: 372
Hours Date: 09/28/2023

Summary/Description

For Sale

1995 Luhrs 32 Flybridge NEXT PITCH is a good-looking boat with attractive lines and a surprisingly comfortable interior. The interior of the 32 may be compact, but Luhrs engineers managed to put the available space to good use. There is an offset double berth in the forward stateroom, a separate stall shower in the head and efficient galley, and salon seating for three or four adults. Like all of the Luhrs current fleet of convertibles, a set of molded steps leads up to the flybridge. The cockpit, with just over 50 square feet of fishing space, is fitted with a transom door, transom fish box, and a bait prep center forward with a livewell. Call to schedule a showing today!

Salon & Galley

The interior of this vessel is very light, airy and open, has an all fiberglass headliner, large windows both port and starboard, beautiful teak accents throughout and plenty of storage areas.

Enter the Salon through aft double entry doors with screens to a carpeted, teak trimmed, airy Salon with designer draperies. The Starboard sofa pulls out to a double bed and the Port sleeps one. There is storage below the bunk. Entertainment Center with Bar and Samsung flat panel TV with DVD player. Natural lighting flows in from the large windows and there is 270 degree 12v valance lighting for evenings. Engines and Kohler Generator can be accessed thru Salon deck. Forward, to Port, and one step down is the Galley with large storage cabinets, teak parquet sole and abundant lighting. The chef can watch TV and converse with guests from the adjacent Salon.
