## WALKTHROUGH

The Sea Ray 400 Sundancer is a mid-range sport cruiser with an enclosed salon and distinctive hull windows. Entering through sliding glass doors, huge windows in the Sundancer's opulent single-level salon full the entire area with natural lighting. The galley is forward to port, right across from the helm-the perfect place for socializing at dockside or underway. Elegant hardwood flooring, high-end galley appliances, an ergonomic helm with joystick controls combine to make this one of the most elegant interiors of any boat in this class. Below, is a two-stateroom, one-head layout. The Master stateroom, which seems unusually spacious thanks to the large hull windows. The cockpit, with L-shaped seating to starboard and a single seat to port, can be shaded by a power awning that extends from the hardtop. A extended swim platform and transom electric grilling station.
