- 4-sided Isinglass enclosure

Tower

- CAT control panel
- RD 30 gauge
- Rupp triple spreader riggers
- Freshwater for hose
- Center rigger

Electronics

- Furuno CH 250 sonar
- Icom VHF M-504
- Icom M710 single side band
- Furuno 1943 radar
- Furuno black box sounder
- Furuno GPS
- Dytek seawater temp
- Simrad auto pilot AP-22
- ACR search light
- Simrad direction finder AP-21
- Sea Tel Sat TV
- Jensen Stereo
- Furuno RD-30
- Furuno GPS GP-37
- Icom M-127 VHF

Electrical System

- 24-volt DC ship's service throughout
- 24/12-volt power supply with breakers on flybridge
- 110V outlet in engine room on aft bulkhead
- 120v duplex receptacles with GFI throughout

- Anchor and navigation lights
- (2) batteries, 24V banks mounted in fiberglass storage boxes
- (2) battery chargers with thermal cutoff and switching system for complete integration
- Battery distribution panel with battery cutoff and charging system breakers
- Battery parallel system for main engines and generator start
- Bonded electrical system with ground plate
- Color coded, labeled and numbered wiring system with corresponding drawings
- Onan 21.5kW generator (1)
- Engine room lights, AC/DC with switch at entrance
- (2) Glendinning cablemaster with 3 wire grounded cord
- Master electrical control panel located in salon with 24v/120v circuit breakers, individual switching for shore 1, shore 2 or generator supply and gauges for electrical supply, voltmeter, amp meter and frequency
- Sub-panel located in galley for galley appliances, galley lights, gauge for water tank and alarm panel for safety monitoring system
- Voltage stabilizer isolation transformers for more consistent, cleaner voltage

Engine Room

- Twin Caterpillar 3412 diesels, 1400HP
- Air conditioner, zoned with reverse cycle heat for complete climate control throughout the interior
- A/C pressurized fresh water system with on deck fresh water fill and cockpit dockside supply inlet with pressure reducing valve
- Bilge pumps with additional cleanout pumps linked into monitoring system and connected to float switches for automatic and manual operation
- Engine room ventilation system with supply and discharge fans
- Engine room entrance gauges: digital tachometer, engine water temperature, engine oil pressure and engine room mounted engine start/stop switches
- External sea strainers for main engine pick-ups
- Fire suppression system tied into main engine and generator ignition systems with override
- Freshwater supply in engine room for general maintenance and cleaning
- Freshwater manifold isolation system
- Fuel priming pumps for main engines, electric
- Fuel transfer system, 24v DC pump
- Fuel/water separator filters for main engines and generator, "dual" filters for main engines. Glass bowl type, top-loading for convenient replacing
- 110v outlet on aft engine room bulkhead at entranceway
- Zeta-Guard in AC and step cooler sea strainers
- Internal sea strainers for generator, air conditioning and all other sea water pickups
- Mufflers, engines and generator, in-line type with surge tubes
- Oil changing system, gear type pump for main engines, transmissions and generator
- PEX plumbing, fresh water system with manifold in engine room and forward bilge
- Power assist hydraulic steering w/steering junction block under helm for future stations/autopilot
- Stainless steel rudders with dripless thru-water and Tides Marine UHMW bearing for ease of maintenance
- Seacocks, bronze ball-types
- Sea valves and strainers for all thru-hulls below the water line
- Shafts - 2 Aquamet high strength stainless steel, double-taper with machined keyway
- Structural steel engine beds mounted to transverse intermediate bulkheads to isolate torque and vibration/engine noise and ensure drive-train alignment
- Struts, thruwater Nibral
- Trim tabs, dual piston with center tabs recessed in transom, individual controls

- 30-gallon quick recovery electric water heater
- Awl grip brass thru hulls and sea strainers in engine room and forward bilge
- Filtration Concepts 800GPD water maker
- Painted fuel filters/pumps in engine room
- Fiberglass side thru hull fittings
- Awl grip forward bilge
- Dual power steering pump IPO standard single on port engine and starboard
- Tool box
- Naiad Stabilizers

Cockpit

- Bluewater fighting chair with rocket launcher
- Cockpit controls
- Live bait well
- Freezer
- (3) tuna tubes in transom
- Transom fish box plumbed as a bait well
- (8) rod holders in haunches
- Refrigerated drink box in front of salon door
- Transom door and gate

Deck Equipment

- Dinghy davit
- Windlass
- Bow pulpit
- Bow bait well
- Canister life raft
- Rupp hydraulic outriggers
