Not only is this boat an amazing fishing machine, but it can make for a great day on the water with family and boat is awesome for entertaining as well! Give us a call or come by and see this incredible machine today! Accepting offers boat is ready to go!!

Accommodations

The step-bottomed hull achieves good mileage for a boat powered with triple engines. The carbon-fiber dash panel, trim, and glossy-gelcoat on the hardtop not only accentuated the clarity of the view forward, but they also deepened the shade provided, at least giving the impression of cooler temperatures. Helm is roomy with Garmin electronics, a Mercury Vessel View gauge, Fusion music system head unit and a Garmin autopilot. Below deck is a small berth and head. Comfort on the forward console lounges comes from ergonomic contours and backrests provide support in turns. Bow seating wraps around the forward coamings. The aft seats are comfortable and will be a favorite spot, especially with the quiet Mercs on the transom. The fishing package includes a live-well and 12 rod holders on the gunwales and transom. Rod holders are overhead in the hardtop.

Electronics

- Garmin Electronics

Deck

- Custom Carbon Fiber Console
