Volvo Penta
D13-1000
Inboard
700HP
521.99KW
Fuel: Diesel
Hours: 670
Location: Starboard

Summary/Description

This Polish built 64' Motoryacht lacks no features. Fully loaded with sea keeper stability, a retractable sunroof, a foldable wings port, and starboard. A yacht controller allows the operator to move freely around the vessel when maneuvering in close quarters.

Entertainment spaces transform, marrying the interior space to the exterior spaces. The flybridge offers a second helm station, wet bar, and great dining space. Three staterooms located in the lower level of the vessel all equipped with on suite head and showers.

Manufacturer Provided Description

The 640 FLY transcends mere form and function with stunning contemporary design and expertly hand-crafted interiors. This transformative yacht is revolutionizing the segment with its' innovative approach to layout. With powerful propulsion systems and advanced electronics, the Galeon 640FLY delivers experiences that create lifelong memories of times spent with friends and family. All with a style that will make its owner the envy of any port-of-call.
