Overall height is less than 23' with arch, radar and KVH in place.

Radar Arch is hinged and can be lowered for additional clearance for Great Loop.

HISTORY OF VESSEL

Kimber L was built by the CTF yard in Taiwan. She is professionally maintained and kept in brackish water. The owner has been intimately involved in her care and upkeep since purchase in 1997. Detailed maintenance and upgrade log available. Original fiberglass decks from factory (never teak). All faux-wood horizontal surfaces throughout vessel have been replaced with teak veneer or gray slate formica.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.
