328.11KW
Fuel: Diesel
Hours: 1088
Location: Middle

Summary/Description

The timeless MJM 34z is known for its dry, responsive, sporty and comfortable ride. Designed by Doug Zurn and built by Boston BoatWorks the 34 is the brainchild of Bob Johnstone (J Boats) and his wife Mary as they worked together to create a Downeast built for speed and efficiency.

he timeless MJM 34z is known for its dry, responsive, sporty and comfortable ride. Designed by Doug Zurn and built by Boston BoatWorks the 34 is the brainchild of Bob Johnstone (J Boats) and his wife Mary as they worked together to create a downeast pocket cruiser that was well-built, fast, efficient, comfortable and attractive. She comfortably seats 6 in the pilothouse which can be opened up on all sides with the opening windshield windows and roll up aft and side glass. With the single Yanmar and bow and stern thrusters she is easy to maneuver around the docks single handed and easy on the pocketbook with no exposed exterior varnished wood and simple systems.

Liberty is the 2nd to last 34z in the storied model's production run (64 of 65) and also has the distinction as having been originally built for former MJM owner Bob Johnstone himself. She incorporates all of the design and feature improvements that the 34z had over her successful production period. More recently, *Liberty* has seen notable updates like electronics, canvas, cushions, batteries, and has been stored indoors for the offseason.

- Helm deck Ultraleather cushions were recently replaced and are in like-new condition
- Full Strataglass and Stamoid enclosure recently replaced and in excellent condition
- New Raymarine Axiom electronics
- Two new transducers (1kW Airmar and 1000 watt Raymarine)
- 1000 hour service complete
- Propeller just tuned and balanced

Liberty is currently out of the water in indoor storage and can be seen by advance appointment.

****Most listing photos were taken Spring 2023 just after the teak decks were refinished****

Hull and Deck

- Majestic Blue Awlgrip painted hull
- Gold cove stripe and white boot stripe
- Red anti-fouling bottom paint
- Two-tone non-skid fore and side decks AwlGrip Buff Tan
- Teak decking in pilothouse, cockpit and swim platform **Refinished 2023**
- Transom access door
- Stainless steel telescoping swim ladder
- Flush mount rod holders in aft cockpit gunnel
- Stainless steel handrails
- Stainless steel cleats and fairleads
- Muir stainless steel electric windlass with foot pedals and helm control
- Stainless steel anchor with chain and rode
- Muir stainless steel bow roller
- Kevlar/Eglass/Epoxy composite construction

Pilothouse and Cockpit

- Teak decks throughout pilothouse helm deck, aft cockpit and swim platform
- Transom boarding door for easy access into cockpit from swim platform
- Scandvik cockpit shower on swim platform
- Adirondack stern seat with varnished seat back and seat cushions (removable)
- Molded steps for easy side-deck access from aft cockpit
- Flush mount rod holders in gunnels
- Single-level flush deck layout with only a 2 inch "step" from the aft cockpit into the pilothouse
- Opposing passenger bench seats aft of the helm seats for socializing
- Bench seats open up and reveal massive, deep storage lockers with systems access
- Stidd seats and all helm deck cushions reupholstered with Ultraleather **NEW 2016**
- Stidd seats have rare "tilt-forward" feature with filler cushions creating 2 single berths in the pilothouse (or just to sit 3 across each side instead of 2)
- StrataGlass and Stamoid helm deck enclosure replaced **NEW 2018**
- Pilothouse aft enclosure, roll up side windows and opening windshield windows allow for open air entertaining and is one of the main features that sets the 34z apart from the competition
