Vessel Details

Accommodations

Well maintained with a spacious interior (6'3" headroom) that includes 2 private staterooms, galley and salon, enclosed head. Sleeps 7. Teak and holly soles throughout. Ample natural light and ventilation via 4 large, fixed ports, 2 Bomar deck hatches with screens, 8 opening ports with screens, and dorade vents. There are multiple overhead and swivel lights. All of the cabin cushions have been well maintained and can be removed for washing if desired.

The forward stateroom has two 6'4" V berths with a filler cushion that can be fastened to the berth. there are four lights and a fan. There is a hinged cabin door that swings open to cover the hanging locker and shelf to starboard. On the port side of the cabin is a large bulkhead-hung mirror, stainless steel sink and counter, with hot and cold water. There is storage behind a teak tambour-door cabinet and an open shelf. Additional storage is found along hull-side shelves, two lower cabinets with flip-down doors and two bins under the V-berth cushions.

The main salon has a starboard 6'4" settee/berth and a port side U-shaped settee that can convert to a double berth with a cushioned insert. The fixed table has a narrow footprint due to the two large folding leaves which are opened independently, and it will seat six people comfortably. There is also a bookshelf, two stereo speakers, there are multiple storage areas under the settee cushions, four enclosed cabinets with teak tambour doors, two open cabinets, and cubicles behind the seat backs. There is an overhead hatch with screen, two screened opening ports, and four dorade vents for ventilation. there are seven lights and two fans. Sunbrella roll up shades throughout salon.

The galley is aft of the salon on the port side with two overhead lights. There are two enclosed cabinets with shelves for storage, two drawers, two small storage areas with flip-down doors, a built-in trash bin and a dedicated silverware drawer. Access to the manual pump-out for the ice box is located behind two swing-out doors located under the sinks.

- Double basin stainless steel sink
- Hot and cold pressure fresh water
- Two burner gimbaled CNG stove with oven and broiler and wood cutting-board top
- Ice box with refrigeration system, 12v DC.

The aft cabin is aft of the galley on the port side and features a double berth with a settee. There is a hanging locker with door, hull-side covered cabinets and an open shelf down the length of the berth. Privacy is assured with a hinged bi-fold door. There is also a fixed light, a swivel light, a fan and three opening ports with screens.

The dedicated nav station faces forward is aft of the main salon on the starboard side. The area includes the navigation instruments, New Garmin VHF radio, Fusion stereo, and the electrical panel. There is chart storage under the flip-up chart tabletop. The hinged seat allows easy access to the batteries. There is a dedicated tool drawer, a partitioned drawer, and a hinged-door cabinet below the chart table for additional built-in storage, and fixed lighting.

The enclosed head is located aft of the nav station. There is a single molded basin with hot and cold pressure water as well as a manual freshwater pump. The sink faucet pulls out and hooks above to serve as the shower head. There is a teak floor grate to allow drainage, with an electric sump pump. Storage is located in two wall cabinets with sliding doors, a wet locker, the swinging door below the sink provides access to engine water intake and there is some room for additional storage. There is a screened opening port, a fixed ceiling light, and a mirror mounted on the inside of the head door.
