Hours Date: 03/27/2024

Summary/Description

Without doubt the most meticulously maintained and presented Lagoon 630 on the market, one owner and one professional Captain from new, always loved and cared for, I challenge you to find fault in this beautiful vessel, comes with fresh survey and can come with crewed charter business.

Lagoon 630 MY Overview

Exterior and interior design

Continuing the tradition *Lagoon 620* In 2015, the French wanted to repeat their success in the motor segment of catamarans and presented 630 MY. The boat with VPLP design architecture and Nauta's interiors did the job and collected significant awards at international fairs in Hong Kong, Cannes and Düsseldorf.

Amenities on board

Like the 620, the new Lagoon 630 MY has two exits to the aft cockpit from the lower deck. It accommodates a spacious dining room with bar, and a large kitchen fitted out in the saloon.

Features

The Lagoon 630 MY is a luxurious and comfortable multihull with a wide range of features and good driving characteristics. The boat has plenty of space to relax and live on board. Jan's Felion is a sought after 5 cabin owners version galley up perfect for **private charters or owners use**, her interior is crafted with Grey Alpi Oak wood and Kord Wenge floor, she has Marble upholstery and factory blinds through out for comfort and privacy. Outside her decks and cockpit are laid with exquisite Burmese teak, her flybridge has a 360 view for ease of maneuvering and her upgraded Tenderlift platform makes the use of the 17' Highfield tender a breeze.

Brokers Comments

"As a professional skipper and charter Captain for the past 20 years I have maintained and cared for many catamarans, I know what how much effort it takes to maintain a vessel to the standards I see in Jan's Felion, she shows like new and the care and attention the Captain takes with her shows in every aspect of her condition, its not often I say this but this catamaran is a 10/10 I take my hat off to Kirk for the time, energy and care he has taken of the boat since she arrived in the Caribbean."

Jan's Felion can be purchased as a very active **turn-key offshore charter business**, a recent buyers survey and business pro-forma is available to serious and qualified buyers after signing a NDA (non-disclosure agreement).
