Summary/Description

WILL ACCEPT CLEAN TRADES

Monza Boats began building boats in the 1970's and stopped production in 2003 when they were purchased by Motion. These hulls were known to be dependable and strong while still producing very efficient speeds. This vessel is great for any boaters needs, from entertaining your family to fishing 100 miles offshore; this boat is capable of doing it all! This Monza comes with two spare props and a custom sun shade for the bow that is not included in the photos. This boat has been meticulously maintained and went through a refit over the past year. Trailer included in the sale. Call today to schedule a showing.
