Manufacturer Provided Description

The Tideline 365 Offshore combines the aesthetics, beauty, and lines of a custom built offshore sportfishing boat with the superior performance, sea worthiness, speed, and fuel efficiency of the top offshore catamarans on the market today. The North Carolina coast is home to some of the roughest sea conditions on the planet and as a result, the boat building industry in this area is known for producing some of the toughest, most seaworthy boats in the world.
