Summary/Description

NEW PHOTOS COMING SOON

With its race-derived hull and powerful performance, the Predator 54 is built for thrills. It's also built for comfort. The spacious cockpit plan with wetbar, dining area, sunpad and a large seating/dining area defines life onboard while below, the accommodation comprises a spacious saloon, fully equipped galley, a master suite with en-suite, a twin berth guest cabin and a two berth Pullman cabin aft, all enjoying their own high-quality entertainment systems. Nipping ashore is simple too. The tender sits on a neat roller arrangement in the aft garage and an automated system makes light of launching and retrieving.
