Summary/Description

Now offered for sale, Lili is the latest Amels 180 –the yard’s perpetually popular series– to enter the market. With just one owner since new, LILI is in impeccable condition. She offers flexible guest accommodation, great on deck spaces and impressive features such as an indoor and an outdoor cinema

Lili For Sale

A semi-customised version of one of the most popular superyacht models ever, Lili has been honed to sunshine cruising perfection

The 55m 2017 Amels Holland yacht LILI is offered for sale and is the latest Amels 180 –the yard’s perpetually popular series– to enter the market.

With just one Owner from new, LILI yacht is in impeccable condition. Her glamorous exterior design is by the legendary Tim Heywood, while Laura Sessa Romboli’s interiors are luxurious yet tasteful, with a subtle palette of creams and silvers creating a spa-like atmosphere on board.

In the main salon, dual fold-down balconies to port and starboard bathe the salon in ambient light. There is a cinema area forward with a large couch, while the formal dining area in the middle of the room is the ideal setting for fine-dining feasts.

LILI yacht can accommodate up to 13 guests across six cabins, including a full-beam Owner’s suite on the bridge deck aft, with a private terrace, plus a full-beam VIP cabin on the main deck with a fold-down balcony to starboard. A large part of LILI yacht’s charter appeal is in the fact that this VIP can be used as a second master.

The rest of LILI yacht’s guest accommodation is on the lower deck and comprises two double cabins and two twin cabins, which are all en suite. One of the twin cabins can convert to a double whilst the other has a Pullman berth for occasional guests. A gym on the main deck can convert to a 7th cabin, as desired.

LILI yacht makes incredible use of her outdoor spaces. One of the main customisations to the Amels 180 layout was a three-metre extension to her sun deck, creating an enormous socialising area, which includes a 4m counter-current pool, alfresco dining shaded by the superstructure, a chic sunbathing area, and an outdoor cinema with large projector screen.

More sunpads can be found on the foredeck, while LILI yacht’s beach club opens onto a generous swim platform,

creating yet more outdoor space.

LILI yacht is also heli 'touch-and-go' capable, enabling seamless arrivals and departures. She comes with stabilisers both at anchor and underway and has a range of 4,500 miles.

Currently in Nice, France, LILI yacht offers a fantastic opportunity for a new Owner to buy a perfectly preened Amels 180.
