17.50KW

Summary/Description

Plum Solaris 72 has been specifically designed to comfortably sail from the top of the world to the equator, cruising both at high latitudes and in the Tropics. She really stands out as an extremely sophisticated, semi-custom yacht, with a unique style and an incredible level of handcrafted detailin

Plum Solaris 72 has been specifically designed to comfortably sail from the top of the world to the equator, cruising both at high latitudes and in the Tropics. She really stands out as an extremely sophisticated, semi-custom yacht, with a unique style and an incredible level of handcrafted detailing.

Plum combines outstanding performance with the elegance of her interiors boasting 4 fully equipped cabins (3 doubles and 1 pullman) for up to 8 guests. The deckhouse provides protection from the elements and enables a full 360 degrees view on breathtaking landscapes.

This beautiful bluewater cruiser is now ready to set sail with her new owner.
