Summary/Description

Built by Westport in 2004, the 42m luxury motor yacht Forty Love is one of the largest sport fisher ever built to date and definitely the ultimate family yacht.

Built by **Westport** in 2004, the 42m luxury motor yacht **Forty Love** recently underwent an extensive over **2 million euros refit** and is now offered for sale with a **1 million euros price reduction!** She is one of the largest **sport fisher** ever built to date and definitely the ultimate **family yacht**.

The layout has been conceived in order to maximize the deck space, giving easy access to all **five decks** and boasting a multitude of outdoor leisure spaces (i.e. the huge open aft area and the spacious sun deck).

The **wide windows** in the saloon and in the main dining area offer striking 360° views on beautiful surroundings, allowing to take advantage of amazing panoramas.

Twelve guests can be accommodated in the 5 (optionally 6) newly refitted cabins. A huge **beach-style swim platform** stepping down into the water adds interior volume, providing extra space for fuel tanks, storage freezer and garbage lockers which give the yacht two months' autonomy. All the stairs in the yacht are dog-friendly, due to the owner's passion for Labradors. The navigation equipment is of the **latest technology** and quality with vital items being duplicated to have safety back-ups. **Forty Love** was built under American Bureau of Shipping classification.
