Vessel Walkthrough

30% Less fuel, 40% Longer range.

When it comes to fuel economy, the benefits of Volvo Penta IPS are obvious, an impressive 30% reduction in fuel consumption at cruising speed, compared to inboard shaft engines. That translates into longer range by over 40%, and of course a huge drop in exhaust emissions.

The spacious **main salon** area is designed to be a comfortable place for relaxation and socializing. It features a U-Shaped seating arrangement, and large windows for panoramic views of the surrounding water. Forward is an electric

hardtop, air conditioned cockpit, and its most prominent innovation is the easy access to the bow via its walk through door.

Featuring two **staterooms**, each with en-suite facilities and a full beam master stateroom with a comfortable berth, storage cabinets, shower, toilet, sink and washer / dryer combo. A Bose entertainment system with four TV units in both staterooms, lower cabin and main salon.

The **galley** is equipped with modern appliances and amenities for onboard food preparation. Novakool refrigerator, freezer and Kenyon cooktop.

The IPS drive, sporting joystick docking, and hydraulic swim platform offer the easiest boating experience possible for experienced or first time buyers. Located in the heart of Fort Lauderdale. Call or email to schedule a viewing.
