The Beneteau 361 is a popular family racer/cruiser that is easy to maintain and sails well. This boat has been stored and commissioned by a reputable yard for the last 7 years. Presently, she is hauled out and wrapped for the winter. Still viewable and seriously for sale. Catchin' Air spent those seven summers around Martha's Vineyard and she was sailed by a family who put a ton of love and time into the boat. They have decided to move on to a larger boat so they are reluctantly selling this one. New jib and mainsail in 2018, new engine mounts in 2023. Impeccably and thoroughly maintained by Martha's Vineyard shipyard over the last 7 years under the guidance of the very attentive and diligent owner. No maintenance item or repair has gone without completion. She is an extremely special boat and has served this family well during day sails to the surrounding islands as well as overnight cruising. She sails like a dream and is certain to bring a tremendous amount of joy to her new owner
