Summary/Description

Introducing Project Garfield, a visionary masterpiece in the realm of luxury sailing catamarans, designed to redefine the essence of opulence and adventure on the open seas. Spanning an impressive 38 meters, this customizable marvel seamlessly blends cutting-edge technology with timeless elegance, p

Project Garfield stands as the epitome of a global cruiser, meticulously engineered to navigate the world's waters with unrivaled grace and style. What sets this luxury sailing catamaran apart is its commitment to tailor the seafaring experience to the unique desires of its owners.

This 38-meter vessel is a blank canvas awaiting the personal touch of its discerning buyers. The customization options are as vast as the open seas, allowing owners to shape every detail according to their preferences. From interior design elements to onboard amenities, Project Garfield is a manifestation of individual style and taste.

Owners have the power to choose between diesel or hybrid power systems, providing flexibility and environmental consciousness in their maritime adventures. The five-cabin layout ensures ample accommodation for guests, each space designed with a keen eye for luxury and comfort. Additional crew quarters further enhance the vessel's capacity for extended journeys, ensuring a seamless and pampered experience for all aboard.

As a true world cruiser, Project Garfield boasts a large hydraulic swim platform/beach deck, inviting passengers to indulge in water activities or simply bask in the beauty of the surrounding seas. The expansive cockpit is a versatile space that effortlessly transitions between entertaining and lounging, offering panoramic views and an open-air ambiance that complements the sailing experience.

Project Garfield is not merely a vessel; it's a personalized statement of maritime excellence. With its fusion of cutting-edge technology, customizable features, and a commitment to uncompromising luxury, this sailing catamaran elevates seafaring to an art form, allowing owners to embark on voyages that are uniquely and unforgettably their own.
