Summary/Description

Nicely cared for Limestone 24'

The Limestone 24' is a sought after Mark Ellis design providing for an efficient and sea kindly ride. A full windshield provides protection for those seated in the double helm and companion seats, while the engine box and full width transom seating allow plenty of space for additional passengers. "De Novo" is powered by a 320HP fresh water cooled Volvo engine connected via jackshaft to a Volvo duo-prop outdrive. Currently in the water and ready for your inspection!
