## Summary/Description

2000 24' Maxum 2400 SCR 'Magic Moments'.

The Maxum 2400 SCR (Sports Cruiser) was built as a premium brand to Bayliner by the Brunswick group and was designed purely for pleasure. Powered by a single Mercruiser 5.7L V8 250 hp gas engine with a stern drive duo prop, (490 hours) which provides lots of power for a fun ride and comfortable driving. Length over all is 25'3" and beam is 8'5'. Sleeps up to 4 people with an aft midship berth and a forward double v-berth conversion. Very well cared for by the current owners and the previous owners. This vessel is exceptionally clean and in excellent condition.

At the flip of a seat, the helm becomes a luxurious sun-lounge and the cockpit quickly converts for alfresco dining. At the helm, is a handsome woodgrain dash with full instrumentation, compass, a Standard Horizon GPS Chart-plotter, and VHF Radio.

The forward salon converts to a plush v-berth, and in the aft mid-berth, a padded headboard conceals easily accessible storage. The compact galley is fully equipped with dual-power refrigerator, electric induction stove top, microwave, S/S sink, shower/toilet compartment, AM/FM JVC stereo w/cd; and surprisingly available storage.

Includes swim platform w/ladder, trim tabs, Lexmar Windlass/Anchor, shore power cord, full cockpit camper canvas with isinglass windows and screens, transom/cockpit hot/cold shower, and cockpit speakers.

Currently in the water, this exciting sports cruiser offers a perfect blend of ample accommodation and cockpit space, making it an ideal choice for enjoyable cruising.
