Summary/Description

2013 28' 6" Cobalt A28 Bow Rider

Her profile immediately catches your eye with elegant lines and jaw dropping aesthetics which can turn even the most discriminating heads. Her inverse hull, whose complexity only these yacht makers have seen fit to attempt, creates the sweep of a profile that can come only from Cobalt craftsmanship. Special to the A Series is the hydraulic swim platform which lowers 24" below the water's surface. Perfect for dipping a toe in the cool water, or functioning as a step stool for those eager kiddos jumping aboard.

Contact Bridge Yachts today to receive more information or to schedule a showing of this elegant Cobalt A28 for sale in Turkey Point, Ontario, Canada.
